Please note the following points that need to be taken into consideration before filming can take place:

Any equipment that you wish to be plugged into an electrical source provided by or to be used inside County Hall & the London Aquarium must be 'PAT' Certified. All equipment must also carry a valid 'PAT' sticker. On arrival you will be asked to produce proof of the certification and all equipment will be checked by our maintenance team.

To cover any potential damage to County Hall & the London Aquarium a deposit cheque of an agreed fee made out to 'London Aquarium Ltd' must be produced before any filming takes place. This cheque will remain in our possession until we are satisfied that you have adhered to the rules & regulations outlined in the agreement. It will then be returned. If a deposit cheque is not produced, then London Aquarium Ltd reserves the right to refuse all filming due to take place.

Payment must also be made in full before any filming takes place. Any additional hours over and above what is agreed will be charged at the previously arranged fee and invoiced accordingly.

A copy of your insurance should also be provided before filming can take place.
