

# Predators

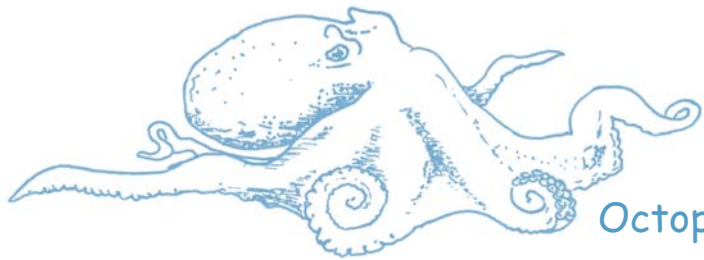

Predators need really good senses to find their food, can you name the five senses that you have?

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_

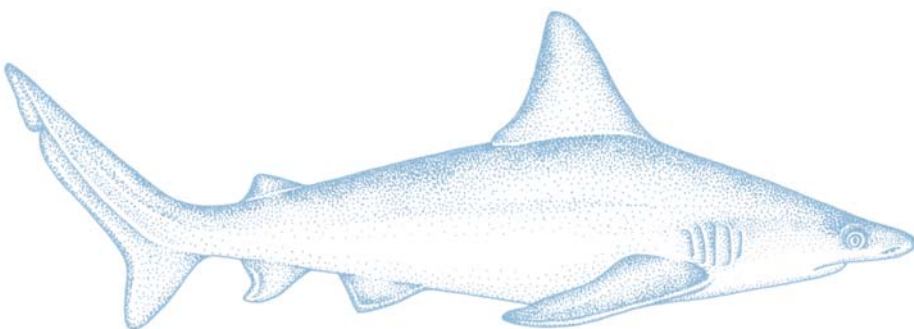

All of these animals are predators, which ones can you find at the London Aquarium?

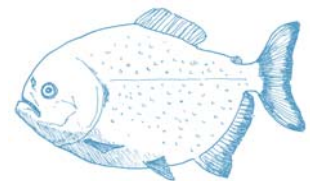

Lionfish

Octopus

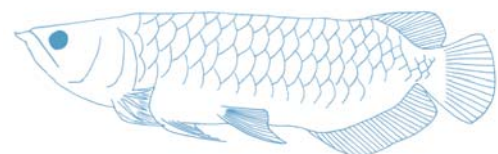

Brown Shark

Red-bellied Piranha

Clownfish

Golden Arowana
